BETHEL DAIRYMAN NAMED BREEDING SERVICE DISTRIBUTOR

Robert L. Grover of Bethel has been named Curtiss Breeding Service distributor for Oxford County.

Under recently-completed arrangements announced by the nation-wide artificial breeding firm, he will make the services of 165 sires of 14 dairy, beef and dual-purpose breeds available to herd owners throughout the area.

In preparation for the assignment Mr. Grover attended a two-week training course at the Curtiss headquarters farm in Cary, Illinois.

The 12-hour-a-day training schedule, generally ranked among the most comprehensive in its field, provides extensive live-cow experience in approved artificial breeding techniques.

Heavy emphasis also is placed on the study of basic reproductive anatomy, genetics and the principles and practice of sanitation in safe-guarding both herd health and high breeding efficiency.

Opportunity is provided for first-hand study of the various sires in stud with particular emphasis on their use in continuing herd improvement programs.

In becoming a Curtiss distributor, Bob Grover joins a field organization of more than 1,500 representatives operating throughout the United States and in several foreign countries. Herd owners are provided with the widest possible selection of sires within each of the breeds.

M. Y. F. ELECTIONS OFFICERS HONORED AT RECEPTION

The Methodist Youth Fellowship has elected new officers. The following were elected: Rachel Keniston, president; Allan Walker, vice president; Vivian Brown, secretary, and Thomas Davis, treasurer.

Last year the Bethel Methodist Youth Fellowship united with three other fellowships: Rumford, Bridgton and Naples and formed a sub-district. Last year in the sub-district, three out of four officers were from Bethel: Rachel Keniston, secretary; Nancy Chapin, treasurer; and Allan Walker, vice president. This year Rachel Keniston, from the Bethel group, was elected secretary. The first meeting of the sub-district will be held Oct. 31 at Rumford. The program is a discussion of the Jewish religion.

This year a parent council, Mr. and Mrs. Earlen Paine and Mr. and Mrs. Ernest Perkins, assisted Rev. Donald Hess in the guidance of the group. The group has planned a series of meetings on morals and many different and interesting activities to go along with the meetings.

GOULD RUNNERS QUALIFY FOR STATE CROSS-COUNTRY MEET

On October 21 at Farmington the Gould Academy cross-country team qualified for the State Class M Championship by capturing first place in the Area II Regionals. Bob Everett of Gould had a record-breaking time of 19:41 over the 2.5 mile course. Vaughn Damore, holder of the old record, came in fourth followed by Andy Buck in seventh, John Lombard tenth and Lloyd Carver eleventh.

GOULD WINS OVER MEXICO 14-6

Gould turned in the forward pass for the game's winning touchdown in the third quarter and went on to a 14-6 triumph over Mexico in Saturday's critical Mountain Valley Conference football at Mexico last Saturday. Mike Christen flung a forward to Steve Moller for a 41-yard scoring play to tie the game in the third quarter and George Nickerson converted from placement for 7-6 as the on-fore-play underpin in their fourth game.

The other Gould tally was by Al Laveroy on a 43-yard run with a pass interception in the last couple of minutes of play. Bob Vennerson passed for a five-yard touchdown play as Mexico opened the pointmaking in the second quarter. Gary Myler accounted for the rest of the Gould tally by scoring on a 17-yard completion to Jerry Farrow to set up the touchdown. Pat Miller having intercepted at the final 23 to give the Pumas the ball. Gould had forced in a goal-line stand at its own five in the first period. On Mexico's next offensive, called try for extra points, Jim Chaffin hit the crossbar. The Pumas had a 24-yard advantage in rushing but were outgained substantially.

MOTORISTS URGED TO BE ON LOOKOUT FOR "GHOSTS" — "GOBLINS"

"It is possible that ghosts may be haunting the streets during the evening the last of this month," the State Police reminds Maine motorists. "However, they will be real 'live' ghosts—youngsters out celebrating Halloween."

"Goblins—white and witchers in vari-colored costumes will be parading from home to home in their neighborhood," the police continued. "In some instances, they will be accompanied by parents; others will be out on their own. In the excitement of the evening, they are likely to forget, now and then, to practice the ordinary rules of caution in crossing streets and walking on highways."

"Should your headlights reveal strangely garbed creatures," concluded the State Police, "reduce speed and be extremely alert and careful."
